West Horsley Parish Council

Appendix 7: Briefing Note on Installation of Flagpoles

WHPC Comms Team would like to ask for funding to support the installation of flagpoles within the village in view of the Platinum Jubilee Celebrations and future royal occasions/national events.

At the same time, we propose taking advantage of purchasing power to have bespoke village flags made. Then in between the various national events we can fly our own flag! Ideally the locations are:

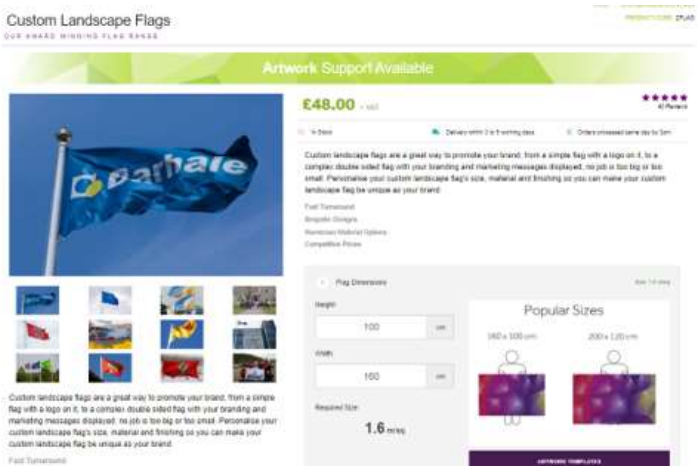
1. on the corner of East Lane and Ockham Road North, by the bench:
2. to the right of the Village Hall on the playground side in front of the road sign to Silkmore Lane;
3. in front of the Village Orchard; and
4. in the centre of the Bell and Covill roundabout (subject to SCC permission).

[If we are unable to use the roundabout location, we will find another location either on Ripley Lane side or Sheepleas side.]

Specifications & Costs Guides

- 4 x 4m flagpoles, white with a gold top, as shown below £217 each x 4 = £868
- Union Jack Flags - £25 each = £100
- 4 x bespoke West Horsley green flags printed black as shown below. £48 each x 4 = £192
- Installation by our village warden

Bespoke Flags



Flagpoles

Standard Aluminium Flagpole Range

Select the STANDARD flagpole from Hampshire Flag for performance and strength.

This heavier-duty aluminium pole offers superb durability thanks to its thicker walls and larger diameter. Designed to be used as a permanent feature, the STANDARD flagpole is available in 6, 8 and 10m lengths, and is supplied in either two or three sections depending on the length.

The flagpole is powder coated white as standard and can be finished in other RAL colours at an additional cost. Either a hinge-based plate (extra charge) or a ground socket is used to secure the pole to the ground.

Key features:

- These poles are 60mm diameter
- Heavier-duty aluminium construction
- Sizes available from 4 - 9m
- RAL colours available
- Installation service if required

Click here to view our Recommended Flagpole Size for Flag Guide

Height	External Halyard & White Finial		External Halyard & Gold Finial		Internal Halyard & White Finial		Rotating Arm & Weight and Rings	
4m (1 piece)	£136.45	Buy	£157.45	Buy	£230.95	Buy	£216.25	Buy
5m (2 piece)	£146.95	Buy	£178.45	Buy	£251.95	Buy	£230.95	Buy

Recommendation:

- WHPC comms team are looking for support from Councillors to approve the costs of 4 units.
- Competitive quotes will be arranged, and supplier selected down to availability in time for the Jubilee.
- Cost to be no more than £1500 including fitting
