2. Concurrent Functions Grant Aid

Funding Criteria

The scheme provides financial assistance to parish councils towards parish expenditure on 'concurrent function' projects of a non-routine nature only. Concurrent functions are services which both Guildford Borough Council and the parish councils are empowered to undertake and include the following areas of activity:

- Allotments
- Commons
- Open spaces
- Playing fields

- Play areas
- Burial grounds & cemeteries
- Closed churchyards
- Parking
- Litter bins
- Seats
- Bus shelters
- Public conveniences
- War memorials
- Public clocks
- Village Halls & Community Centres
- Tourism
- Entertainment & Arts support
- Leisure facilities owned by Parish

In addition, the scheme supports environmental improvement and traffic calming projects undertaken by the parishes, provision of CCTV and street lighting, and the acquisition of IT equipment etc. to assist in the administration of parish duties; all areas of activity also undertaken by the Council.
