Once completed, the garden will be open to the public, for free.** Whilst the garden will be designed with those with visual impairments and access needs in mind, it will be available to all our visitors to enjoy together as part of our on-going commitment to the local community to share our estate and allow as many people as possible to enjoy the landscape and all the benefits that it brings. WHPT aims to complete the Sensory Garden by Summer 2024.	£23,079	£2,000	£2,000 with the proviso that application is amended to include the wording: ***"Access to the sensory garden will remain free in perpetuity for West Horsley residents."*
