West Horsley Parish Council

TENNIS COURT ONLINE BOOKINGS SYSTEM

Introduction

The booking system provider needs to be reviewed as Skedda (which used to be free) is now charging and it is expensive. The Finance Committee has reviewed three sites.

1. Lemon Booking - £192 p/a Booking software for sports facilities | LemonBooking
2. Skedda - £361.70 p/a Tennis Court Booking System - Venue Management | Skedda
3. Hallmaster - £155 / £220 p/a Clubhouse Booking & Reservation System | Hallmaster Ltd

Recommendation

Hallmaster is a cost-effective package, and one which is familiar to many bookers in the village as it is used by West Horsley Village Hall and St Martin's Church. The Finance Committee recommends the Booking & Invoicing package as it enables invoices to be raised and does not require each booking to be confirmed by an administrator.

Skedda Charges

Charges were introduced on 1 January 2024. For continuity of service Cllr Murray has been paying the monthly fee and to date has paid $274.40 (£211.15). It is noted that income from professional hires during this period has been £635.
