Dear Cllr Miss Elaine Best

Application by Antler Homes PLC for Residential development. Demolition of barn and erection of a mix of 35 dwellings, including 14 affordable with associated access from Green Lane along with pedestrian and cycle access from Ockham Road North and all associated works at Land at Oakland Farm, Green Lane, Ockham, GU23 6PD (application no: 21/P/00917)

Thank you for your email of 17 December 2021 and 8 February 2022 asking the Secretary of State to call in the above planning application.

I understand that the planning application was considered by the Council on 03 November 2021 where they resolved to grant permission.

The application is currently under consideration. Your views, along with all other relevant information, will be taken into account before the Secretary of State decides whether or not to call-in the application for determination. I hope you will understand that I cannot comment on the matter further, as to do so might prejudice the Secretary of State's position.

Please note that as you have made representations about a planning application which is before the Secretary of State, it may be necessary to make your letter available to a third party should that party make a request for information on representations made to the Secretary of State on the application. Any personal or identifying information will be removed before release.

Yours sincerely
