

We hope you enjoy our beautiful estate at West Horsley Place.

You are welcome to explore via the footpaths, bridleway and permissive routes shown here. You can help us protect wildlife and our ancient woodland by sticking to these routes only.

Dogs are welcome on the estate, but please keep them on a lead or under close control. Please take your poo bags home with you.

To find out more about our landscape visit <https://www.westhorsleyplace.org/our-landscape>
