Replacement Posts for Old Noticeboards

Approval is sought to purchase supporting posts for the old village notice boards.

The Village Handyman has advised that new timber posts are needed in order to install the old village notice boards in their new positions. Two posts per board, with the potential to re-position all four of the old noticeboards boards around the village.

Cost is £33.00 + VAT per post.

Maximum cost for all four noticeboards is $8 \times £33 = £264.00 + \text{VAT}$.
